as the berries ripen, the fruit laden clusters start to droop downwards from the weight, I hadn’t noticed this before, but it makes harvesting much easier.

to healthcare professionals: is this really the best use of their time compared with a focus on clinical

a good rule of thumb for choosing between an inlay, an onlay or a crown for a given tooth is to choose the smallest tooth restoration that is adequate to cover the problem area

if at any time you have to leave your vehicle due to an accident or breakdown or while waiting for the arrival of the emergency services, you must wear a reflective vest or you may face a heavy fine.
